

SPIRITUAL ASTROLOGY MOUNTAIN RETREAT

with Astrologer JUDY JOYCE

OCTOBER 16, 17 & 18, 2015

A spiritual and insightful weekend in the mountains and by the lake
for 15 participants

Includes your own personal Spiritual Astrology Workbook. Your birth chart information will have been analyzed and entered into your workbook by Judy ahead of time. Your workbook will be used as your guide throughout the retreat. There will be times each day for quiet contemplation in nature by the lake and woods and also times for inward focus when you may write your own thoughts and insights into your workbook. This Spiritual Astrology Retreat will offer you information that will help you understand yourself and your life circumstances in a deeply personal and empowering way.

Using your Workbook, the following information in your chart will be discussed and explained in detail:

- **Your Soul's Purpose in this lifetime, past lives and karma**
- **The Spiritual Meaning of your Sun, Moon and Ascendant**
- **The Twelfth House** - your spiritual connection to other dimensions
- **Saturn** - your greatest challenges and opportunities to gain wisdom
- **The Nodes of the Moon** - where you have been and where you are going
- **Retrograde Planets** - what you want to revise or finish
- **Mastery Degrees** - endings and beginnings
- **Jupiter and the Part of Fortune** - your gifts and rewards

LOCATION: Beautiful 4200 square ft. home on the shores of **Cascade Lake in Donnelly, Idaho.**
